

U.S. Patent Appln. No.: 10/052,779  
Amendment dated: November 17, 2003  
Reply to Office Action of July 22, 2003

**Amendments to the Drawings**

The drawings have been amended as indicated in the attached drawing correction. Also attached are replacement sheets. In particular, the label on the lower terminal of transistor 122 has been changed from an arrow to an output node.
